Step, Tradition, and Concept Eleven all have in common, the sincere desire to encourage and guide the recovering alcoholic for the thankless role of preparing and maintaining a program of recovery that will persist for generations to come. Am I grateful to our founding fathers for these things? Am I willing to support all three?

A.E. Newman

STEP 11: Sought through prayer and meditation to improve our conscious contact with God as we understand Him. Praying only for knowledge of His will for us and the power to carry that out. Step Eleven suggests prayer and meditation. We shouldn't be shy on this matter of prayer. Better men than we are using it constantly. It works, if we have the proper attitude and work at it.

Tradition Eleven: Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio and films.

Our relations with the general public should be characterized by personal anonymity. We think A.A. should avoid sensational advertising. Our names and pictures as A.A. members ought not be broadcast, filmed, or publicly printed. Our public relations should be guided by the principle of attraction rather than promotion. There is never a need to praise ourselves. We feel it better that our friends recommend us. A.A 12 Traditions

CONCEPT 11: The trustees should always have the best possible committees, corporate service directors, executives, staffs, and consultants. Composition, qualifications, induction procedures, and rights and duties will always be matters of serious concern. Pg. VI. AA Service Manual
