**CONFERENCE ADVISORY ACTIONS OF THE
68th GENERAL SERVICE CONFERENCE**

The following recommendations were approved by the 68th General Service Conference:

Floor Actions

It was recommended that:

1. The text on page 18 of the pamphlet “Members of the Clergy Ask About Alcoholics Anonymous” that currently reads:

Please check your local telephone directory or newspaper for the number of Alcoholics Anonymous.

Be revised to read:

Alcoholics Anonymous can be found on the Internet at aa.org and in most telephone directories by looking for “Alcoholics Anonymous.” Additionally, online meetings are available, which members of the military and others often use when they are in places where there is no meeting nearby.

2. Area Service Highlights be published in their entirety in both the printed Conference *Final Report* and the anonymity-protected digital version.

Agenda

It was recommended that:

3. The theme for the 2019 General Service Conference be: “Our Big Book – 80 Years, 71 Languages.”

4. The following be presentation/discussion topics for the 2019 General Service Conference:

Yesterday’s World – Our Legacies Begin
Today’s World – Demonstrating Integrity, Anonymity and Service
Tomorrow’s World – Courage to be Vigilant

5. The following be the workshop topic for the 2019 General Service Conference: “Clarity of Purpose – Addressing the Needs of Our Meetings”

Archives*

It was recommended that:

6. The proposed new publication, *Our Great Responsibility: A Selection of Bill W.’s General Service Conference Talks, 1951 – 1970* be approved with minor editorial changes.

* Members serve on this committee as a secondary committee.

Cooperation with the Professional Community

It was recommended that:

7. The text on page 9 of the pamphlet "A.A. as a Resource for the Health Care Professional" which currently reads:

Sharing experience as peers is the unique service Alcoholics Anonymous offers. In most instances, health care professionals find A.A. members not only willing but eager to introduce newcomers to the A.A. program.

Be revised to read:

Sharing experience as peers is the unique service Alcoholics Anonymous offers. With no membership requirements beyond the desire to stop drinking, members are on an equal footing. What's important is getting the help that is needed, and in most instances, health care professionals find A.A. members not only willing but eager to introduce newcomers to the A.A. program.

8. The text on page 10 of the pamphlet "A.A. as a Resource for the Health Care Professional" which currently reads:

A.A. is listed in most telephone directories or local newspapers, and a phone call is all that is needed for help.

Be revised to read:

Alcoholics Anonymous can be found on the Internet at aa.org and in most telephone directories by looking for "Alcoholics Anonymous." Additionally, online A.A. meetings are available, which members of the military and others often use when they are in places where there are no meetings nearby.

9. A new section be added beginning on page 16 of the pamphlet "Members of the Clergy Ask About Alcoholics Anonymous," between the sections "Why Would the Clergy be Concerned with A.A.?" and "Do Any of the Clergy Belong to A.A.?" with text as follows:

What If You Are a Chaplain in the Military?

Like other members of the clergy, military chaplains are often the "safest" people a problem drinker can approach. Chaplains can help direct alcoholics to available A.A. meetings, either on or near the base. Additionally, if no meetings are available, chaplains may be able to connect interested alcoholics with other A.A. materials, such as books and pamphlets or A.A.'s magazines, Grapevine and La Viña. Online meetings are also available for those members of the military who may be deployed, and chaplains can help get them connected electronically through correspondence groups. (A.A.'s General Service Office can provide information on such resources.)

10. Text be added to the pamphlet "If You Are a Professional..." on page 4, first paragraph, to read (additions in **bold**):

Meetings: At the heart of the program are its meetings, which are conducted autonomously by A.A. groups in cities and towns throughout the world, **even in jails, institutions and on military bases.**

11. Text be added to the pamphlet “If You Are a Professional...” on page 4, last section, to read (additions in **bold**):

Referrals from Judicial, Health Care, **Military**, or other Professionals

Today numerous A.A. members come to us from judicial, health care, **military** or other professionals.

12. Text be added to the pamphlet “If You Are a Professional...” in the last full paragraph on page 5, to read (additions in **bold**):

Or you can contact the General Service Office (G.S.O.) of Alcoholics Anonymous for help and information. G.S.O.’s A.A. website aa.org can aid in finding local resources. **Additionally, online A.A. meetings are available, which members of the military and others often use when they are in places where there are no meetings nearby.**

13. A.A. World Services, Inc. develop a company page on LinkedIn with the following goals in mind:

- To offer another digital resource, in addition to aa.org, where professionals can find accurate information about A.A.
- To broaden the reach of the About A.A. newsletter for professionals
- To offer a platform where our professional friends may recommend us
- To raise awareness of exhibits staffed by local C.P.C. committees at national and local professional conferences
- To expand the network of our professional friends and perhaps deepen the pool of Class A Trustee candidates
- By our presence on LinkedIn, to reinforce the continuing relevance and efficacy of A.A. to professionals

28. The following text (originally included in the 1998 edition of *Living Sober*) be added to *Living Sober* following the section titled “Note to Medical Professionals”:

We recognize that alcoholics are not immune to other diseases. Some of us have had to cope with depressions that can be suicidal; schizophrenia that sometimes requires hospitalization; bipolar disorder, and other mental and biological illnesses. Also among us are diabetics, epileptics, members with heart trouble, cancer, allergies, hypertension, and many other serious physical conditions.

Because of the difficulties that many alcoholics have with drugs, some members have taken the position that no one in A.A. should take any medication. While this position has undoubtedly prevented relapses for some, it has meant disaster for others.

A.A. members and many of their physicians have described situations in which depressed patients have been told by A.A.s to throw away the pills, only to have depression return with all its difficulties, sometimes resulting in suicide. We have heard, too, from members with other conditions, including schizophrenia, bipolar disorder, epilepsy and others requiring medication, that well-meaning A.A. friends discourage them from taking any prescribed medication. Unfortunately, by following a layperson’s advice, the sufferers find that their conditions can return with all their previous intensity. On top of that, they feel guilty because they are convinced that “A.A. is against pills.”

It becomes clear that just as it is wrong to enable or support any alcoholic to become readdicted to any drug, it’s equally wrong to deprive any alcoholic of medication, which can alleviate or control other disabling physical and/or emotional problems.

29. The trustees’ Literature Committee undertake a comprehensive update to the video “Your General Service Office, the Grapevine and the General Service Structure” to reflect a contemporary presentation of the General Service and AA Grapevine offices as well as a current portrayal of the General Service Structure, and bring back a progress report or draft updated video to the 2019 Conference Committee on Literature.

31. The trustees’ Literature Committee develop a pamphlet based on A.A.’s Three Legacies, with emphasis on the history of the Three Legacies, how they work together and including personal stories of members’ experiences with the Three Legacies, and bring back a progress report or draft pamphlet to the 2019 Conference Committee on Literature.
32. The trustees’ Literature Committee develop a pamphlet for Spanish-speaking women alcoholics by gathering sharing from Spanish-speaking women in A.A., and bring back a progress report or draft pamphlet to the 2019 Conference Committee on Literature.

51. The proposed changes by the trustees' Committee on Cooperation with the Professional Community/Treatment and Accessibilities to the pamphlet "Accessibility for All Alcoholics" be approved with additional revisions.
52. The Scope of the Conference Committee on Treatment and Accessibilities be expanded as follows (additions in **bold**):

The purpose of a Treatment and Accessibilities committee is to coordinate the work of individual A.A. members and groups interested in carrying our message of recovery to alcoholics in a wide variety of treatment settings, and to set up means of "bridging the gap" from the treatment setting to the A.A. **Fellowship. In addition, the committee supports the work of individual A.A. members and groups serving those who experience barriers to accessing the A.A. message and participating in A.A.'s Three Legacies – Recovery, Unity, and Service. Finally, the committee supports the work of individual A.A. members and groups striving to ensure that A.A. members who live in underserved or remote communities — communities difficult to reach because of geography, language or culture — have access to the A.A. message.**
