

# GET-A-LIFE

Inventory (Forget the Restitution)

For those times when your Renta-sponsor insists a written inventory and you just know that you haven't suffered enough to get the sympathy you deserve.

## **RATE SCHEDULE**

**\$40.00** for a typical life long struggle with childish demands and periods of self-involved depression.

**\$60.00** will get you a little more of that "Cant you see why I've become so concerned with getting my way?").

**\$80.00** Isn't it just about time to show others how grandiose a life you have lived. (\$5.00 extra per indictment, \$10.00 for convictions, \$10/yr jail time).

**\$100.00** for our "Look at Me" Package which includes all the above as well as two or more illegitimate children, a demonic possession, and at least one high speed interstate car chase. (Alien abductions \$30.00 extra, of course).

Why live that same old hum drum life you've always lived when you can "GET A LIFE" with GET-A-LIFE?
