

# RENT-A-SPONSOR

Are you tired of pushy sponsors? Do they always want you to do silly "step work"? Are they harassing you about your "old way self reliance"? Maybe RENT-A-SPONSOR is for you.

You can have your cake and eat it too with a sponsor that sees it your way. Have you ever considered that your "old ways" worked just fine for all these years and these "new ways" that regular sponsors keep trying to push on you may be much more, (cash and pride wise) costly?

What is it worth to you to be right at least 87% of the time (contractually guaranteed)? What would you give to be able to justify your behavior and have a credible co-signer?

Well wonder no more. Rent-a-sponsor today for \$50.00/week. Price includes a contact card and easy to follow instructions for fending off those pesky "Big Bookers" and goody goody people that say they just want to help. You know what you are doing and this card will help you rationalize away all their guilt ridden so called reasons to follow their ways. If God had intended us to go to so many of those meetings and work those d\*\*n steps, He would have had them tattooed on the foreheads of all those people we need to step on to get anywhere in this world. Make sense? Call today.
